

ALL FLEX MOWERS

Unmatched Performance.

An 11' AFM is just right to use around the golf course, in the city park, or to maintain your five acre estate. Easy to use and maintain, keep your grass looking like it was cut with a walk-behind, but with a lot less time invested in doing so!

- Automatic wing locks for transport
- Zero turning radius due to sleek frame design
- Rear discharge for even dispersal
- Easy to grease from top blade spindles

Dispensing cut grass is a key ingredient to maintaining healthy turf. The more evenly and completely the cut grass is dispersed, the quicker it works its way towards the soil for decomposition.
