

LANDSCAPE RAKES

The essential tool for landscapers.

As America's premier supplier of Landscape Rakes, Land Pride offers light-duty through construction-grade models. Designed for raking rocks, dirt, sand, landscaping and construction debris, our rakes are the landscaper's perfect tool to clean and prepare a site for seeding as well as general maintenance around farms, parks and beaches.

The LR15 features a 3-1/2" pivot tube providing strength to support weight and drag on the rake element.
