

## Features and Benefits

### Blades, Rear

#### RB05 Series

Features	Benefits
<b>Warranty</b>	One year parts & labor. See warranty page for complete details.
<b>48", 60" Working widths</b>	Choice of two sizes to pick from.
<b>17-25 HP rating</b>	Fits a wide variety of small tractors between 17 & 25 HP.
<b>Cat. 0 with Cat. 1 pins and Cat. I limited hitch types</b>	Fits smaller tractors with Cat. 0 hitch & Cat. I limited hitch.
<b>Blade angles left and right up to 30° in either direction</b>	(5 forward positions in 15° increments and 5 reverse positions in 15° increments) Many angles for diverse jobs and results.
<b>Blade offsets left and right 10"</b>	Manually adjust offset to move moldboard over and keep hitch centered on tractor.
<b>13 1/2" Moldboard height</b>	Can pull a lot of dirt for a little blade.
<b>Heat treated cutting edge</b>	Hard edge protects the moldboard edge.
<b>Parking Stand</b>	Store unit with front of hitch off the ground, allows for easier hook-up.
<b>Landscape Rake adaptable</b>	05 Series Landscape Rake element will fit in place of the moldboard for diversity.
<b>Skid shoes (optional)</b>	Set depth of blade to clear obstructions like manhole covers, street cracks.

#### RB15 Series

Features	Benefits
<b>Warranty</b>	One year parts & labor.
<b>60", 72", 84" Working widths</b>	Choice of three sizes to pick from.
<b>17-40 HP rating</b>	Fits a wide variety of small tractors between 17 & 40 HP.
<b>Quick-Hitch</b>	Fits Land Pride Quick-Hitch.
<b>Blade angles left and right up to 45° in forward position and 30° in reverse position</b>	(7 Forward positions in 15° increments and 5 reverse positions in 15° increments) Many angles for diverse jobs and results.
<b>Blade offsets 12" left and right</b>	Manually move moldboard to cover either tractor tire.
<b>14" High rolled moldboard</b>	Rolled moldboard allows material to flow easily, which means less drag, less HP. 1/4" Moldboard thickness is just right for 40 HP work.
<b>Reversible cutting edge</b>	For twice the life.
<b>Parking Stand</b>	Store unit with front of hitch off the ground, allows for easier hook-up.
<b>Skid shoes (optional)</b>	Set depth of blade to clear obstructions like manhole covers, street cracks.
<b>Landscape Rake adaptable</b>	Remove moldboard and add rake element to add diversity of frame.
